

REMARKS

Reconsideration of this application as amended is respectfully requested.

In the Office Action, claims 1-48 were pending and subject to a restriction requirement. In this response, no claim has been canceled and amended. In addition, new claim 50 has been added. The support for the amendment can be found throughout the Specification of this application, such as, for example, lines 25-28 of page 38 of the Specification. No new matter has been added.

In response to the restriction requirement, without admitting the Office Action was correct on the merits, Applicant hereby elects Group IV (claims 34-45 and 50) for further prosecution and reserves the right to pursue the non-elected claims in a divisional application.

In view of the foregoing, Applicant respectfully submits the present application is now in condition for allowance. If the Examiner believes a telephone conference would expedite or assist in the allowance of the present application, the Examiner is invited to call/email the undersigned attorney.

Please charge Deposit Account No. 02-2666 for any shortage of fees in connection with this response.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN
